

SHAHADAT HUSSAIN

SR. FRONT-END UI/UX DEVELOPER

Mobile: +91-9910613200

E-mail: shahadat.rockstar@gmail.com

Website: https://uilab.in/

Looking forward to an organization that offers challenging, learning new technology to work in and provide scope for the individual development, which offers attractive prospects for long term personal development and career growth.

I am looking for a permanent role and a great product to work on, or a studio, or an agency. I'm into long-term product design and committed to seeing products through to completion.
